Sir:

This application is a continuation of 09/919,780, which application was filed July 31, 2001. Prior Information Disclosure Statements for the above-referenced application were filed on September 25, 2003, and February 25, 2004.

References 1 through 21 as listed on attached Form PTO/SB/SB/08A should be readily available to the Examiner; however, Applicant would be happy to supply copies upon request.

Copies of the PCT patent publications, References 22 and 23 as cited on the attached Form PTO/SB/08A, are enclosed.

It is respectfully requested that all of the cited references on attached Form PTO/SB/08A (1 through 23) be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement.

Respectfully submitted,

A handwritten signature in black ink that reads "David Slone". The signature is written in a cursive, flowing style.
